

DIY Wall Art Ideas Checklist

Ever looked at a blank wall and wondered what to do with it? DIY wall art is a fun, affordable way to add personality to your space. This checklist is your quick-start guide to making your walls pop with creativity. Use it to stay organized and inspired!

Basic DIY Tools Checklist

- ☐ Glue gun
- ☐ Scissors
- ☐ Painter's tape
- ☐ Double-sided tape
- ☐ Paintbrushes
- ☐ Ruler or measuring tape
- ☐ Pencil and eraser
- ☐ Canvas or thick paper
- ☐ Spray adhesive

Where to Shop on a Budget

- ☐ Dollar stores – Great for frames, tape, and glue.
- ☐ Michaels or Hobby Lobby – Best when they're having sales.
- ☐ Amazon – Fast and easy if you know what you need.
- ☐ Thrift shops – Hidden gems for frames, boards, and fabric.

Room-by-Room DIY Wall Art Tips

- ☐ Living Room: Go bold with large canvases or gallery walls. Odd-number groupings work best.
- ☐ Bedroom: Stick to calm colors and simple shapes for a restful vibe.
- ☐ Kitchen/Dining: Fun and functional—chalkboard menus or framed food quotes work great.
- ☐ Office: Boost your mood with motivational quotes in soft, non-distracting colors.
- ☐ Kids' Room: Go colorful and safe! Foam boards, paper cutouts, and framed kid art shine here.

Beginner-Friendly Project Ideas

- ☐ Abstract Pour Painting – Tilt and swirl paint for a dreamy look.

- ☐ Quote Canvas with Stencils – Say something meaningful with paint.
- ☐ Minimalist Line Art – One line, endless charm.
- ☐ Ombre Color Block – Soft gradients that soothe.
- ☐ Tape and Spray Paint Art – Sharp, modern lines.
- ☐ Printable Art in Thrifted Frames – Fast, chic, and affordable.
- ☐ Hanging Fabric Panels – Soften your wall with stylish textiles.
- ☐ Paper Flower Wall – Blooms that never fade.
- ☐ Washi Tape Geometric Art – Stick and style.
- ☐ Postcard or Photo Gallery Wall – Show off your memories.

Check off each item as you go. Don't worry about perfection—just have fun and let your creativity shine!
